## EU-RoHS Statement of Conformity

This document certifies that to the best of our knowledge any product manufactured or assembled by Touch International is in compliance with the European Union RoHS2 Directive 2011/65/EU. We hereby declare that RoHS restricted substances are not intentionally added to any product above the permitted limits.

<b>Substance</b>	<b>Maximum Limits</b>
Lead	0.1%
Cadmium	0.01%
Mercury	0.1%
Hexavalent Chromium	0.1%
PBBs	0.1%
PBDEs	0.1%

Products containing the substances listed in the table above, in concentrations below the maximum limits, are understood to be in compliance with Directive 2011/65/EU of the European Parliament on the restriction of the use of certain hazardous substances in electrical and electronics equipment.

The phthalate restrictions included in the table below were introduced by EU Directive 2015/863, or RoHS3, and came into force on 22 July 2019. Touch International has gone to great extents to ensure that Touch International products comply with the new phthalate restrictions.

<b>Substance</b>	<b>Maximum Limits</b>
Phthalates: DEHP, BBP, DBP, DIB	0.1%

To note, Touch International flows down all applicable RoHS compliance policies and cannot independently certify any materials or products.

Any concerns or questions you may have regarding RoHS or any other regulatory compliance issues should be directed to your Touch International customer service representative.

Sincerely,

Grieg Spidle

President
